

## 2018 Invisalign Gallery | Ortho Summit Shootout FAQ

### 1. What is the purpose of the Invisalign Gallery | Ortho Summit Shootout?

To recognize the doctor who submits the best overall Invisalign treatment outcome of the year. To be eligible for consideration, treatments need to be submitted under one of the four theme categories listed below.

### 2. What types of cases can be submitted?

There are four theme categories for the 2018 Ortho Summit Shootout:

- Teen
- Open Bite or Deep Bite
- Class II or Class III
- Phase I or Multi-Discipline

Each case entry must be submitted in one of these four categories to qualify for the Summit Shootout competition. Entries that do not fit into at least one of these four categories (“Other”) are ineligible for Summit Shootout consideration, but may qualify for inclusion in the Invisalign Gallery publication.

### 3. Who can participate in this program?

Orthodontists in North America (US and Canada).

### 4. How many entries can each doctor submit?

Each doctor can submit no more than 1 case per theme category (maximum of 4 total). Past years’ submissions, as well as previously published cases, are ineligible.

### 5. When do doctors need to submit their cases by?

The deadline for all entries is Tuesday, July 31<sup>st</sup>, 2018. Late submissions will not be considered.

### 6. How do doctors submit an entry into the program for consideration?

All entries must be submitted online at <https://submit.invisaligngallery.com>. A comprehensive how-to guide is available for download to assist with the registration and case submission process.

### 7. What is required for each entry?

- Signed doctor and patient releases (available for download on submission site listed above)
- Completed online treatment summary form
- Before and after records:
  - Intraoral photos (1 anterior, 2 buccals, and 2 occlusals)
  - Extraoral photos (smile, profile, repose – all photos will be de-identified by Align)
  - Radiographs (pano and ceph – OPTIONAL)

**8. How will the Summit Shootout winner be determined?**

All submitted treatments will first be screened by an independent Clinical Review Committee. An anonymous online voting process by peer orthodontists will then determine the four finalists who will present their case at the Invisalign Ortho Summit in Las Vegas, NV (November 15-18, 2018). Finalists will be notified once all voting has ended. The overall Summit Shootout winner will be determined during the Invisalign Summit Case Shoot-out event.

**9. Who do I contact if I have additional questions?**

For any questions or support needed, please email us at [InvisalignGallery@aligntech.com](mailto:InvisalignGallery@aligntech.com).
